SEMINOLE STATE COLLEGE

Student Housing and Food Service Contract Terms and Conditions

This contract is an agreement between Seminole State College, hereinafter referred to as the College, and the student. If the student is under 18 years of age, this contract is also an agreement between the College and his/her parent(s) or guardian(s). Residing in College owned residence halls is considered a fundamental part of the student's education. Therefore, such residency is only a license to occupy and use the residence space assigned for limited purposes and is not a lease of College property. Seminole State College maintains two residence halls, Roesler Residential Learning Center and Seminole Nation Residential Learning Center. The College reserves the right to assign rooms to students. This contract does not guarantee students will be assigned any requested room, roommate(s), or residence hall. Housing officials will attempt to accommodate student's requests.

The parties to this contract, in consideration of the mutual covenants and stipulations set out herein, agree as follows:

- 1. Deposit** – A room reservation non-refundable deposit of \$100.00 must accompany the Housing Application for first time residents. Returning residents in Good Standing no deposit will be required when submitting a new contract. Good Standing meaning the student has followed the end of the academic year check out procedure: cleaned room, turned in all keys and properly checked out with a Residence Life Staff or Student RAs.

The deposit is non-refundable except:

If a student decides not to live on campus, to receive a refund of this deposit (and any other funds paid toward living costs) student must notify the Housing Office in writing, of their intentions on or before August 1, if they plan to enter campus housing in the fall semester, or December 15 if they plan to enter in the spring semester.

- 2. Eligibility**–Residents must be admitted students and currently enrolled in 12 hours or more at Seminole State College during the fall and/or spring semester(s). Exceptions to this rule are for a resident's final semester at SSC, in which the resident may take only those courses required to graduate. Acceptance of this contract by the College does not constitute admission to the College.
- 3. Period of Contract**–Beginning the first day of the academic semester that you have indicated on your housing application and will terminate at 3:00 p.m. on the day following the last day of classes for the last semester you attend in the academic school year. The student agrees to vacate the assigned room by the above time unless other arrangements are made.
- 4. Holiday/Break Housing (Terms of Occupancy)**–This contract is for room and board during those periods of the academic year when College classes are in session, or when the student is required by the College academic calendar to be on campus. The residential centers are closed during breaks and holidays. Students must vacate the centers during the following: Fall Break, Thanksgiving Break, Winter/Holiday Break and Spring Break.
- 5. Initial Payment and Monthly Payment**– Residents may choose to pay the entire semester payment in one advance payment, 4 equal payments due the 1st day of each month (August through November for the fall semester and January through April for the spring semester) or set up one of the automatic payment plan options available through the business office. All payments and/or payment arrangements must be made at SSC's Business Office, 405-382-9515 or 405-382-9238 or businessoffice@ssccok.edu, on or before the due date. Failure to pay will result in a delinquent account, a \$50 late fee and suspension of the meal card and/or eviction can occur. All residents with an outstanding housing balance will be denied permission to enroll or receive their transcript. The College reserves the right to notify the student's parent(s) or guardian(s) of payments past due and/or contract violations.
- 6. Contract Release/Refund/Termination of Contract**–The contract is for the full period indicated and a student cannot be released or refunded any part of the payments except as in the following:
 - a.** If a resident withdrawals officially or is dismissed from the College or dismissed from the residence halls for the balance of a contract period, at which time the student will be charged for service based on a one-semester contract.
 - b.** The College reserves the right to terminate a student's contract if found at any time during the semester not to be enrolled full time or has ceased to attend classes, resident has abandoned room, failure to meet financial obligations satisfactorily, violation of college policy, rules or regulations or violation of criminal law and the resident will be charged for service based on a one-semester contract.
 - c.** If a student is not required by College policy to live in College-owned housing, this contract may be terminated but the student will be charged for service accrued based on a one-semester contract.
 - d.** The College reserves the right to terminate this contract after reasonable notice to the student in the interest of health, order, discipline, maximum utilization of facilities or disaster.

- 7. Transferring of Contract-**This contract is personal and may not be assigned or otherwise transferred, nor may the student's space be sublet or otherwise placed in the occupancy, control or care of another person or entity.
- 8. Assignment of Rooms/Consolidation-** All applications are processed in the order in which the completed and signed housing/food service application, signed housing contract, the completed Meningococcal Compliance form, and the non-refundable \$100 room reservation deposit are received. Housing is defined as a furnished space with a bed and mattress in College-owned housing and not a specific room or space in a specific residence hall. To maximize occupancy, it is occasionally necessary to re-assign a student. If a student's roommate moves out, the remaining student may be required to move or share his/her room with another student(s) to consolidate rooms. If a student's roommate moves out and a new roommate is not assigned or the current student does not want to move to consolidate space, that student will be required to pay additional fees for having his/her own room.
- 9. Access to Rooms-**The College reserves the right to allow authorized College personnel to enter a student's room for an institutional-purpose search, such as: In the interest of the welfare, health, and safety of the resident or residential community, to conduct periodic general room inspections for overall cleanliness and maintenance of acceptable standards, to provide maintenance, perform repairs or other related activities, to address a policy violation or law that has or is being broken, and for emergency events.
- 10. Food Service-**There is one meal plan available and is included with this contract. The meal plan is for the fall and spring semesters only. Residents are required to have this meal plan of 19 meals per week. ID cards are required to be handed to the cashier at each meal.
- 11. Incorporation of Rules and Regulations-**Rules and regulations appearing in the most recent Residence Hall section of the SSC Student Handbook and the Student Code of Conduct section are made part of this contract. All residents are responsible for their knowledge of the handbook. Handbooks are available on Seminole State College's website under the housing section located under the Life at SSC tab and a copy may be requested via email. Please also make note of the following rules and regulations:
- a.** In the case of double-occupancy rooms in an assigned Residence Hall, you share equal responsibility for the condition of all furnishings in the room and shall share equally in the responsibility of reimbursing Seminole State College for any damage to or loss of these accommodations and furnishings, unless individual responsibility is determined at the time the damage occurs. In the event individual responsibility is determined, you will bear sole responsibility for reimbursement of damage costs. You may also be required to share the expense of repair or replacement of any property in areas commonly used by residents and their guests.
 - b.** Lost hard key charge is \$50.00. Lost key card charge is \$10.00.
 - c.** You are responsible for maintaining the cleanliness of your room, bathroom, and common area. You are responsible to keep your suite/pod free from damages: it should be maintained and kept in the same condition as when you moved into that suite/pod. If upon moving out the suite/pod is not cleaned, or damage has occurred the resident will be charged a cleaning and/or damage fee. The College at its sole discretion shall make a determination of the amount of such cleaning costs or damage repair costs. Failure to pay this assessment will result in a hold on your registration, grade reports, or issuance of a transcript.
 - d.** Although precautions are taken to maintain adequate security, Seminole State College does not assume any legal obligation to pay for injury to persons (including death) or loss of or damage to items of personal property which occur in its buildings or on its grounds prior to, during, or after the period of the contract.
